Hi Jennifer,

Am responding to this FOIA this week. Here is the list of withheld docs. The ones I am providing are heavily redacted. I copied below my last communication with the requestor.

Subject: Response to FOIA

Dear Mr. Aguayo,

EPA Region 7 is requesting a very short extension of time to respond to your FOIA. We had intended to complete this by today, but despite our best efforts, we can see, at this hour, that we will not achieve that goal. It is our intent to transmit the documents to you next week. We would appreciate your response to this request through an email response. Thank you for your patience.
